

This image shows a full page of blank graph paper. The grid consists of small squares formed by thin green lines. There are 20 columns and 20 rows of squares, creating a total area of 400 small squares. The background is white, and the grid lines are a consistent light green color. There are no margins, text, or other markings on the page.

This image shows a full page of blank graph paper. The grid consists of small squares formed by thin green lines. There are 20 columns and 20 rows of squares, creating a uniform pattern across the entire page. The background is white, and the lines are a consistent light green color.
